Dealer Discount is for everyone.Reviews: * Whether you're looking for a 5-passenger luxury SUV that can sip the least fuel possible, a luxury SUV that can rip to 174

mph, or a luxury SUV that splits that difference one way or the other, the 2015 Mercedes-Benz M-Class is a good bet. Source: KBB.com * Very fuel-efficient diesel; very quick gasoline engines; serene ride; rich interior appointments; roomy backseat; top crash scores. Source: Edmunds * Every element of the 2015 M-Class cabin is thoughtfully engineered and elegantly crafted to make you feel at home, and in control, on any road. The standard 19-inch alloy wheels further accent the already stark design of the M-Class. Bright white LED Daytime Running Lamps help increase the visibility of your vehicle to oncoming traffic by illuminating front lights whenever the car is switched on. On the inside, wood trim adorns the console, dash, steering wheel and doors. MB-Tex upholstery offers a rich appearance and supple leather-like feel, even in cold weather. Electrically heated front seats quickly take the chill out of even the coldest day. 60/40 split-folding rear seat backs with flip-forward seat cushions allow for a truly flat cargo floor. The Cockpit Management and Data (COMAND) system features a high-resolution color-LCD display. This is utilized to manage audio, video, and other hands free calling and navigation functions. The M-Class features a 302hp 3.5L V6 with up to 6,600lbs of towing power or a 329hp or 3.0L biturbo V6 with 7,200lbs. The 7-speed automatic has been made even smoother, more responsive and more efficient while paddle shifters allow you to manually upshift and downshift with just a flick of your fingers. Powerful 4-wheel disc brakes grant you all of the stopping power that you need. Mercedes-Benz is concerned with keeping the family safe, and the quality of the safety options present on the M-Class is proof of that. A suite of standard air bags offers advanced protection. A driver's knee air bag supplements the dual-stage front air bags. Enjoy the strong, controlled stopping power of dual-c
